

Showcase Local Farms & Food at April 3rd Bixby Knolls "First Friday"

Every First Friday of the month, the restaurants, galleries and stores in Bixby Knolls stay open late and attract over 3,000 shoppers, visitors and residents for an evening of community and fun.

ON APRIL 3, 2015, FIRST FRIDAYS WILL CELEBRATE URBAN AGRICULTURE AND HOMESPUN 'COUNTRY FUN' AT THE FIRST FRIDAYS LONG BEACH COUNTY FAIR.

We're seeking those connected to local food, homemade products, country fun and the green thumb to present your hands-on experiences, fun demonstrations, informational materials and/or tasty samples at a booth at the event. E-mail ryan@smolarcorp.com to book a booth.

BENEFITS TO PARTICIPATING:

The Long Beach County Fair is sure to be a true community event with a great feel and a fun time for all. Because it is partnered with First Fridays, you can expect a diverse audience of thousands including families, local residents, couples and singles of all ages. Expect shoppers, diners and promenaders looking to have their eyes dazzled, their ears plucked and their noses tantalized. Get exposure, have fun and be a part of the revolution! *Yee-haw!*
